Aircraft Component Sealant Applicator

Since 1993 GAC has established itself as a leading provider of aircraft component MRO services to the aerospace industry. We provide landing gear, air cycle machine and pneumatic valve component overhaul and loaner services to aircraft operators around the world.

GAC is currently seeking an energetic & highly motivated Aircraft Component Sealant Applicator to join our growing team.

If you want to be part of a dynamic, team-oriented environment, GAC is the company for you!

In this role you will:

- Be an integral member of the aviation component repair and overhaul team.
- Prepare and mask areas with tape in preparation for PRC sealant.
- Apply PRC Sealant to aviation components using proper material and processes.
- Ensure professional sealant appearance of overhauled aviation components
- Maintain the component sealant room and sealant equipment.
- Follow safety standards, wear protective clothing and breathing equipment.

In this role you will receive:

- A starting salary ranging from \$25-\$30/hr.
- On the job paid training.
- Extended Health, Drug & Dental benefits.
- Long term disability & Life Insurance.
- RRSP matching contributions.
- Future growth opportunities in an exciting goal-oriented environment.

Ideal Qualifications:

- Team Player.
- Some experience.
